**Overall Length:**

4.500 inches

**Quick Disconnect Method:**

Push-pull

**Maximum Operating Temp:**

32.0 degrees celsius

**End Application:**

Beach recovery vehicle

**Product Name:**

Flush face/dry break coupling

**Special Features:**

Rugged; hydraulic fluid media; female british parallel bs2779 threads

**Material:**

Stainless steel body

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A531v0
