**Overall Length:**

2.380 inches

**Quick Disconnect Method:**

Push-pull

**End Application:**

Beach recovery vehicle

**Maximum Operating Pressure:**

5000.0 pounds per square inch

**Product Name:**

Flush face/dry break coupling

**Special Features:**

Rugged; hydraulic fluid media; female british parallel bs2779 threads

**Material:**

Stainless steel body

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A531v0
