Connection Type:

Threaded external tube all ends

Outside Diameter:

0.250 inches 3rd end

Product Name:

Swivel nut run tee

Special Features:

Stainless steel; sae 520432; dimension center between end 1 and end 2 to end 2 is 10.07; dimension center between end 1 and end 2 to end 1 is 0.85; dimension across wrench flats is 0.563

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A080b0
