Maximum Operating Temp:

600.000 degrees fahrenheit single response

End Application:

5420-01-316-2587

Product Name:

Elbow

Special Features:

17-4ph stem, 0.250 pipe size with npt threads, pressures to 15000psi at 72 degrees f

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
