End Application:

2320-01-488-6962 truck, tractor

Leg Length:

2.570 inches 2nd end

Flow Angle:

45.0 degrees

Product Name:

Bulkhead-union face seal 45 elbow

Material:

Rubber gasket

Surface Treatment:

Zinc body and chromate body

Surface Treatment Specification:

Ftl specification 49-00005-203 federal specification single treatment response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
