End Application:

ENDI-TE-MNS-N:23

Leg Length:

2.760 inches 2nd end

Flow Angle:

45.0 degrees

Product Name:

Bulkhead-union face seal 45 elbow

Material:

Steel body

Surface Treatment:

Zinc and dichromate

Surface Treatment Specification:

Ftl specification 49-0005-203 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
