End Application:

Portable water and air control panel

Connection Style:

Barbed or beaded (hose) all ends

Connection Type:

Unthreaded external hose all ends

Special Features:

1st barbed end o/d is .375 - 2nd barbed end o/d is .625

Material:

Plastic polyvinyl chloride

Material Specification:

Astmd-1784 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
