End Application:

Portable water and air control panel

Connection Style:

Barbed or beaded (hose) all ends

Connection Type:

Unthreaded external hose all ends

Special Features:

Both barbed ends o/d is 0.250.

Material:

Plastic polyvinyl chloride

Material Specification:

Astmd-1784 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
