Hose Coupling - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-01-523-6582

End Application:
Portable water and air control panel
Connection Style:
Barbed or beaded (hose) all ends
Connection Type:
Unthreaded external hose all ends
Special Features:
Both barbed ends o/d is 0.250.
Material:
Plastic polyvinyl chloride
Material Specification:
Astmd-1784 assn standard single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A080b0
