End Application:

Simplex strainer

Perforation Diameter:

0.062 inches

Perforation Quantity:

144.0 per square inch

End Connection Type:

Flange w/bail 1st end

Filtering Media Design:

Perforated

Product Name:

Strainer basket

Strainer Model Number For Which Designed:

126f ss

Special Features:

304 stainless steel

Material:

Stainless steel

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A523h0
