End Application:

Rat-31 sl/t radar system

Product Name:

No spill coupling

Special Features:

Quick disconnect; 1/2 inch; plug; flush face valving; ball locking mechanism; fluorocarbon standard seal material; temperature range -20/+400 degrees f; 2000 psi rated pressure

Material:

Steel body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531t0
