Quick Disconnect Coupling Half - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/4730-01-525-3738>

**Overall Length:**

3.380 inches

**End Application:**

Rat-31 sl/t radar system

**Product Name:**

Non-spill couplings, nipples

**Special Features:**

3/4 inch body size; 3/4-14 npsf thread size; 1.50 inch hex size; 1.73 inch largest diameter; flush face valving; ball locking mechanism; fluorocarbon standard seal material; temperature range -20/+400 degrees f; 2000 psi rated pressure

**Material:**

Stainless steel body

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A531t0
