Maximum Operating Temp:

176.00 degrees fahrenheit 1st response

End Application:

TACT-IC-ALW-ATER

Maximum Operating Pressure:

290.00 pounds per square inch 1st response

Coupling Flange Shape:

Round

Material:

Nickel

Style Designator:

Rigid, short center wrenching facility

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
