Maximum Operating Temp:

275.0 degrees fahrenheit single response

End Application:

F16

Connection Style:

Barbed or beaded (hose) all ends

Connection Type:

Unthreaded external tube all ends

Outside Diameter Tube Accommodated:

0.250 inches all ends

Product Name:

Fittings, plastic, barbed

Special Features:

Next assembly: 2218201; used on r-iais; barbed fitting for soft tubing; external hose barb connection

Material:

Plastic polypropylene

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A080b0
