Overall Length:

2.060 inches

End Application:

1520-01-492-6324

Product Name:

Coupling half series 20

Material:

Aluminum alloy body

Surface Treatment:

Anodize body

Surface Treatment Specification:

Mil-a-8625 military specification all treatment responses body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531t0

Mil-std (military Standard):

Mil-a-8625 spec.
