Suction Strainer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-01-530-6272

Mounting Type:
Outlet connection side
Body Length:
165.0 millimeters
Body Outside Diameter:
146.0 millimeters
Filtering Element Quantity:
1
Product Name:
Floating strainer
Material:
Stainless steel body and plastic body and plastic polyurethane body
Style Designator:
Suction type rounded end
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A24000
