Fluid Orifice Plate - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-01-533-2945

End Application:
Jet eductor
Special Features:
Monel plate with slight cone shape, multiple orifice holes; provides suction in 4 inch jet eductor 974-4
Material:
Copper alloy
Material Specification:
Astm a494 assn standard single material response or qq-n-281 military specification single material response
Shape:
Round
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A516f0
Mil-std (military Standard):
spec.
