**End Application:**

Ship, valve piping

**Connection Style:**

Plain (pipe) 1st end

**Connection Type:**

Unthreaded external hose 2nd end

**Thread Size:**

0.750 inches 1st end

**Inside Diameter Hose Accommodated:**

0.750 inches 2nd end

**Pipe Wall Thickness Designation For Which Designed:**

Standard 1st end

**Product Name:**

Garden hose fitting

**Special Features:**

Brass material

**Material:**

Copper alloy

**Media For Which Designed:**

Water single response

**Thread Series Designator:**

Npt 1st end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A080b0
