**End Application:**

Hydraulic control system

**Product Name:**

Medium pressure collar

**Special Features:**

Internally threaded collar retains gland while threaded to .562 inch o.D. Tube; material 316 stainless steel

**Material:**

Stainless steel

**Thread Size And Series/type Designator:**

Un0.162b uns

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
