End Application:

Hydraulic control system

Product Name:

Medium pressure collar

Special Features:

Internally threaded collar retains gland while threaded to .562 inch o.D. Tube; material 316 stainless steel

Material:

Stainless steel

Thread Size And Series/type Designator:

Un0.162b uns

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
