Pipe Fitting Flared Collar - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-01-539-9892

End Application:
Hydraulic control system
Product Name:
Medium pressure collar
Special Features:
Internally threaded collar retains gland while threaded to .562 inch o.D. Tube; material 316 stainless steel
Material:
Stainless steel
Thread Size And Series/type Designator:
Un0.162b uns
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23900
