End Application:

Water softner, disinfectant gen

Outside Diameter Tube Accommodated:

0.500 inches all ends

Product Name:

Tube elbow

Special Features:

Material is polytetrafluoroethylene pfa

Material:

Plastic polytetrafluoroethylene

Media For Which Designed:

Water single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
