End Application:

5420-00-889-2020 bridge launching carrier

Product Name:

Straight thread connector

Special Features:

Straight adapter; one end is 19.05mm diameter the other is 25.40mm dia

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
