End Application:

NSN;-39-900-1444

Leg Length:

2.000 inches 2nd end

Flow Angle:

90.0 degrees

Product Name:

6500 90 degree swivel elbow

Test Data Document:

Sae j514 070221 standard (includes industry or association standards, individual manufactureer standards, etc.). And ms51521 standard (includes industry or association standards, individual manufactureer standards, etc.).

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A080b0
