**End Application:**

NSN;-39-900-1444

**Leg Length:**

2.000 inches 2nd end

**Flow Angle:**

90.0 degrees

**Product Name:**

6500 90 degree swivel elbow

**Test Data Document:**

Sae j514 070221 standard (includes industry or association standards, individual manufactureer standards, etc.). And ms51521 standard (includes industry or association standards, individual manufactureer standards, etc.).

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A080b0
