End Application:

Air subsystem

Inlet Connection Thread Size And Series/type Designator And Location:

0 npt internal

Outlet Connection Thread Size And Series/type Designator And Location:

0 npt internal

Product Name:

Din filler assembly

Special Features:

Underwater safety critical; includes a port for air bleed valve, 3/4-27 bspp; brass with chrome; to fill air tank

Material:

Brass

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T359-m
