**End Application:**

Air subsystem

**Inlet Connection Thread Size And Series/type Designator And Location:**

0 npt internal

**Outlet Connection Thread Size And Series/type Designator And Location:**

0 npt internal

**Product Name:**

Din filler assembly

**Special Features:**

Underwater safety critical; includes a port for air bleed valve, 3/4-27 bspp; brass with chrome; to fill air tank

**Material:**

Brass

**Material:**

Copper alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T359-m
