End Application:

Force system / refueler

Connection Style:

Plain (pipe) 1st end

Connection Type:

Unthreaded external hose 2nd end

Thread Size:

3.000 inches 1st end

Inside Diameter Hose Accommodated:

3.000 inches 2nd end

Product Name:

King combination nipple

Material:

Steel

Thread Series Designator:

Npt 1st end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A080b0
