Bolt Hole Quantity:

4 1st end

End Application:

C5m

Bolt Hole Diameter:

0.347 inches 1st end

Center To Center Distance Between Bolt Holes Along Length:

2.000 inches 1st end

Center To Center Distance Between Bolt Holes Along Width:

3.140 inches 1st end

Product Name:

Adapter-hyd filter

Special Features:

Tube port on second end, also known as spider fitting

Material:

Stainless steel

Media For Which Designed:

Hydraulic fluid single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
