End Application:

1520-01-088-3669; cargo-transporter helicopter

Fastening Device Type:

Ear clamped

Product Name:

Gap free pinch hose and tube clamp

Special Features:

Band width is 0.203 inches with tongue and groove, band thickness is 0.020 inches, adjustable range is 0.344 inches to 0.406 inches

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
