End Application:

2355-01-542-7908 interim mounted mine detection (ivmmd) mk ii system

Leg Length:

22.5 millimeters

Product Name:

Type qs-1/6-6 push-in/threaded fitting

Special Features:

Polytetrafluoroethylene coated r-thread

Style Designator:

Male coupling half

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531t0
