End Application:

6685-01-529-6990

Product Name:

Manifold, rpm4, blank

Special Features:

50mm l x 77mm h x 22mm d; light yellow alodine finish and light gray epoxy painted

Material:

Aluminum alloy, qq-a-225/8, alloy 6061, t6

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8, alloy 6061, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T359-m
