Leg Length:

0.752 inches 2nd end

Flow Angle:

90.0 radians

Material:

Stainless steel union

Material Specification:

Qq-s-763, comp 304 federal specification single material response union

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0

Mil-std (military Standard):

Mil-t-8808 spec.
