Inlet Connection Type:

Threaded

End Application:

Manifold; high pressure steam cleaner

Inlet Connection Size:

0.750

Inlet Thread Location:

Internal

Product Name:

San nozzle

Special Features:

Stainless steel material

Material:

Stainless steel

Media For Which Designed:

Steam and fluid and chemical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A508d0
