**Inlet Connection Type:**

Threaded

**End Application:**

Manifold; high pressure steam cleaner

**Inlet Connection Size:**

0.750

**Inlet Thread Location:**

Internal

**Product Name:**

San nozzle

**Special Features:**

Stainless steel material

**Material:**

Stainless steel

**Media For Which Designed:**

Steam and fluid and chemical

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A508d0
