**End Application:**

Aircraft f18 hornit

**Connection Type:**

Threaded internal and external tube all ends

**Special Features:**

Tee, tube flared swivel nut on run

**Material:**

Stainless steel

**Material Specification:**

Qq-p-35 federal specification all material responses

**Surface Treatment:**

Passivate

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A080b0
