End Application:

Aircraft f18 hornit

Connection Type:

Threaded internal and external tube all ends

Special Features:

Tee, tube flared swivel nut on run

Material:

Stainless steel

Material Specification:

Qq-p-35 federal specification all material responses

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
