Connection Type:

Unthreaded external pipe all ends

Maximum Operating Pressure:

500.0 newtons per square centimeter single response

Outside Diameter Tube Accommodated:

8.0 millimeters all ends

Nominallength:

25.0 millimeters

Product Name:

Light duty straight fitting, 8mm o.D. Tube

Material:

Steel

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
