Connection Type:

Unthreaded external pipe all ends

Maximum Operating Pressure:

400.0 newtons per square centimeter single response

Outside Diameter Tube Accommodated:

18.0 millimeters all ends

Nominallength:

31.0 millimeters

Product Name:

Light duty straight fitting, 18m m o.D. Tube

Material:

Steel

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
