**End Application:**

7386195 (53711) propulsion sectn hyd interconnect

**Product Name:**

Fitting, industrial tube to straight thread

**Special Features:**

Prop sec hyd. Tube size is 0.75 inch, tube connection is male o-ring face seal, straight thread size is 1 1/16-12, straight thread connection is male straight thread o-ring, material is 316ss

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A24200
