End Application:

7386195 (53711) propulsion sctn hyd interconnect

Product Name:

Fitting, industrial elbow, tube to straight thread

Special Features:

Prop sec hyd. Tube size is 0.75 inch, tube connection is male o-ring face seal, straight thread size is 0.75 inch, straight thread connection is male straight thread o-ring, material is 316ss, degree is 90, additional detail by cage 30780 is static 9000 / dynamic 6000, sae 520220, iso 11926/sae j1926, trade/brand name synonym is seal-lok, o-lok

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
