**End Application:**

2350-01-369-6082 carrier, 120 millimeter mortar

**Length:**

0.875 inches all ends

**Connection Type:**

Threaded external pipe all ends

**Thread Size:**

0.250 inches all ends

**Outside Diameter:**

0.540 inches all ends

**Thickness:**

0.119 inches all ends

**Product Name:**

Pipe nipple

**Special Features:**

Extra strong carbon steel finished black

**Material:**

Steel

**Media For Which Designed:**

Fluid single response

**Surface Treatment:**

Oxide

**Thread Series Designator:**

Npt all ends

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A080b0
