End Application:

2350-01-369-6082 carrier, 120 millimeter mortar

Length:

0.875 inches all ends

Connection Type:

Threaded external pipe all ends

Thread Size:

0.250 inches all ends

Outside Diameter:

0.540 inches all ends

Thickness:

0.119 inches all ends

Product Name:

Pipe nipple

Special Features:

Extra strong carbon steel finished black

Material:

Steel

Media For Which Designed:

Fluid single response

Surface Treatment:

Oxide

Thread Series Designator:

Npt all ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
