Casehardening Indicator:

Not casehardened

End Application:

2355-01-555-0908 mine resistant vehicle

Hose/tube Outside Diameter For Which Designed:

0.318 inches

Product Name:

Sleeve, flared, tube

Special Features:

45 degrees flare; length 0.44; largest o.D. 0.445

Material:

Steel, federal standard 66, comp 316

Material:

Steel comp 316

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T385-j
