**Maximum Operating Pressure:**

35.0 bar single response

**Product Name:**

Socket female thread

**Special Features:**

Bspp: 1/2; ambient temp: negative 20 to 100 degree celsius; coupler back, body, sleeve, plug: nickel plated brass; valve: brass; spring and balls: stainless steel; seal: buna n

**Material:**

Copper alloy body

**Surface Treatment:**

Nickel sleeve

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A531t0
