Inside Diameter:

0.420 inches

Overall Width:

0.600 inches

End Application:

A-mgs-stryker

Fastening Device Type:

Collared slotted head screw

Product Name:

Hose clamp

Material:

Steel comp 201 saddle or steel comp 301 saddle or steel comp 302 saddle or steel comp 304 saddle or steel comp 316 saddle or steel comp 430 saddle

Style Designator:

Band

Supplementary Features:

Optional finishes: passivation, black oxide, and color chromating of zinc-plated carbon steel parts

Specification Data:

81343-sae j1508 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
