Overall Length:

1.390 inches

Inlet Connection Type:

Threaded

End Application:

A/m32c-10d air conditioner 4120-01-227-0052; t.O.35e9-90-51

Orifice Diameter:

0.173 inches

Inlet Connection Size:

3/8 in

Inlet Thread Location:

Internal

Product Name:

Fitting, spray restrictor

Special Features:

Possible source anderson and forrester; 6-point hex 0.88 across flats; part of sensing air control and water drain lines

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A508d0
