Quick Disconnect Coupling Half - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-01-580-9759

Special Features:

Material:

Fiig: A531t0

Series: full-low quick-connect; size: 1/4 inch; end connection size: 1/4 in; end connection type: female npt; configuration type: body;
cleaning: swagelok sc11; lubricant: dow coming 111; o-ring; fluorocarbon kfm; flow coefficient: 1.7, coupled with a stem; pressure
rating coupled at maximum temp: 100psig at 400 degree fahrenheit, 6.8 bar at 204 degree celsius; pressure rating coupled at room temp:
6000 psig at 70 degree fahrenheit, 413 bar at 21 degree celsius

Steel
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
