**Maximum Operating Temp:**

400.0 degrees fahrenheit single response

**Connection Type:**

Air chuck quick disconnect first quick disconnect end

**Maximum Operating Pressure:**

6000.0 pounds per square inch 1st response

**Product Name:**

Ss full flow quick-connect stem without valve

**Material:**

Stainless steel

**Style Designator:**

Male coupling half

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A531t0
