Maximum Operating Temp:

400.0 degrees fahrenheit single response

Connection Type:

Air chuck quick disconnect first quick disconnect end

Maximum Operating Pressure:

6000.0 pounds per square inch 1st response

Product Name:

Ss full flow quick-connect stem without valve

Material:

Stainless steel

Style Designator:

Male coupling half

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531t0
